🎓 EDUCATION

Bachelor Student, Media and Information

Universiteit van Amsterdam

01/2023 – 12/2026

- GPA: 8.1 / 10

Minor in Data Science

University of Amsterdam

09/2025 – 02/2026

- Applied data preprocessing, modeling, and predictive analytics techniques to extract actionable insights from structured datasets, supporting data-driven decision-making.
- Conducted model evaluation and performance assessment using quantitative metrics, developing a structured approach to interpreting analytical results and identifying optimization opportunities.
- Built reproducible data workflows in **Python and R Markdown**, ensuring transparent analysis processes and clear documentation of findings.

📁 EMPLOYMENT

PR and Communication Intern

Hitachi Construction Machinery (Europe) NV (HCME), Amsterdam

09/2025 – 02/2026

- **Digital Brand Performance Tracking & Dashboarding:** Built and maintained performance dashboards in **Meltwater** to monitor brand sentiment, share of voice, engagement rate, media reach, and platform distribution across EMEA markets, enabling data-driven evaluation of campaigns.
- **Quantitative Campaign Analysis & Reporting:** Conducted post-campaign analysis by consolidating media exposure, engagement metrics, and PR performance data into structured monthly reports and executive-ready presentations for internal stakeholders.
- **Digital Asset & Landing Page Coordination:** Supported the development and optimization of digital campaign materials including landing pages (**Foleon, Canva**), newsletters (**HubSpot**), and campaign content assets (**Flourish, Figma, Photoshop**), ensuring consistency across touchpoints and alignment with brand positioning.
- **Cross-market Performance Benchmarking:** Compared campaign results across dealers in different regional markets to identify performance gaps and optimization opportunities, supporting strategic recommendations for future brand rollouts.
- **Data-informed Brand Transition Support:** Contributed to the brand renaming project (LANDCROS) by tracking brand visibility metrics during the transition phase and supporting implementation of updated visual identity guidelines across dealer networks.
- **Stakeholder & Agency Coordination:** Collaborated with PR agencies and internal marketing teams to align performance data, communication strategy, and reporting structure, ensuring smooth execution across departments

Student Ambassador

University of Amsterdam, Amsterdam

02/2024 – 09/2024

- Coordinated student engagement activities and provided structured feedback to university departments.
- Facilitated communication between students and administrative teams, supporting continuous improvement initiatives.
- Assisted in organizing events and communication touchpoints to enhance student experience.

Internship, Marketing Department

POIZON DEWU, Shanghai, China

04/2023 – 06/2023

- **E-commerce & Social Performance Benchmarking:** Monitored and analyzed campaign performance metrics (views, CTR, engagement, keyword effectiveness), identifying content and traffic optimization opportunities.
- **Data-driven Content Optimization:** Adjusted keywords, content structure, and ad placements based on real-time performance data to improve traffic conversion and visibility.

- Developed interactive dashboards and data visualizations in **Tableau** to communicate insights effectively to non-technical stakeholders.
- Worked with **SQL** and structured datasets to query, clean, and transform data for reporting and performance analysis purposes.

International Communication
The University of Nottingham
Ningbo China

01/2021 – 12/2023

- Dean Scholarship

Tableau	
My SQL	

- **Influencer & UGC Coordination:** Managed influencer-generated content and ensured alignment with brand messaging and commercial objectives.
- **Short-form Content Strategy:** Produced and optimized high-performing short-form videos (10,000+ views within 7 days), contributing to increased brand exposure and platform engagement.
- **Cross-platform Campaign Execution:** Coordinated social-first campaigns on Douyin and RED, aligning content with user behavior and platform algorithms.

Curating Intern
Shanghai Everyart Museum, Shanghai, China
07/2022 – 09/2022

- Curated and structured exhibition content for public display.
- Developed thematic narratives and audience-facing descriptions to enhance user experience.
- Coordinated exhibition setup and ensured alignment between concept and physical presentation.
